

Radosław Katak

Mr Radosław Katak is a graduate of the Gdańsk University of Technology, where he obtained the degree of Master of Science in Civil Engineering. He also completed postgraduate studies in drilling at the AGH University of Science and Technology in Kraków.

Radosław Katak has more than 20 years of experience in the implementation of both large and local road investments - building expressways in Poland, the UK and Australia.

Mr Katak holds professional experience from work at the General Directorate for National Roads and Motorways, as director of the branch first in Gdańsk and then in Bydgoszcz. In Gdańsk, he implemented investments such as: express road S7: section Gdańsk - Nowy Dwór Gdański and Nowy Dwór Gdański - Elbląg, express road S6 - Trasa Kaszubska, Kościerzyna bypass, while in Bydgoszcz: express road S5, second stage of Inowrocław bypass. At GDDKiA, he managed a team of approximately 450 people.

At CPK, he is currently a Member of the Management Board for railways, responsible for the rail component. He supervises the offices involved in the planning, implementation and development of railway investments.
