[Employer] in an open tender, entitled: Design and execution of construction works on railway line No. 229 on the Kartuzy – Lębork section as part of the project entitled “Ensuring railway access to the Lubiatowo – Kopalino nuclear power plant”, the Management Board of the Company hereby announces that on 25 August 2025, the Issuer received notification from the Employer on the invalidation of the selection of the most profitable offer submitted by the Issuer.
